Quick & Easy Installation

3-Phase Electric Instantaneous Water Heater

Introducing the Bosch Tronic Series – designed for Australian conditions to deliver reliable, energy-efficient hot water on demand.

**AquaStop® Leak Protection***

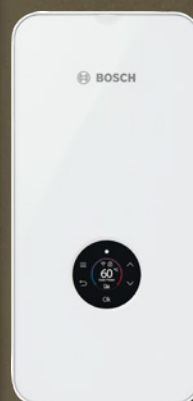

Automatically shuts off the water when a leak is detected to prevent property damage.

**Wi-Fi Control***

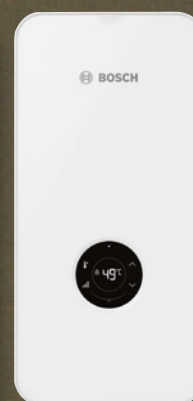

Control and monitor hot water remotely via the built-in Bosch HomeCom Easy app.

**Multifunction Display***

Easily adjust settings, monitor consumption, and activate the safety lock.
