Invented for life

# About the Bosch Group

The Bosch Group has been a leading global supplier of technology and services in the areas of Automotive, Industrial Technology, Consumer Goods and Building Technology for 125 years. The company was founded in Stuttgart, Germany in 1886 and today has more than 300 subsidiaries in over 150 countries. Every Bosch product is built with one goal in mind; to enhance quality of life by providing innovative technological solutions. Bosch is highly regarded for its development of automotive braking and steering safety systems (ABS) which have been improving automotive performance for over 30 years, helping reduce the number of accidents on North America's roads and highways. Environmental stewardship inspires and drives Bosch product development. Bosch is a leader in the development of next-generation technologies that deliver improved performance and efficiency while conserving natural resources. In the area of sustainable mobility, we're helping reduce the fuel consumption and CO<sub>2</sub> emissions of new vehicles. Energy efficiency and environmental protection are also shaping our

Industrial Technology, Consumer Goods and Building Technology products. Green technologies, such as gas tankless water heaters, heat pump electric water heaters, solar thermal systems, photovoltaics, wind power and geothermal heat pumps are perhaps the best examples of smart technologies growing in demand and shaping the future of Bosch.

## **Bosch Thermotechnology in North America**

Bosch Thermotechnology is a leading source of high quality water heating and comfort heating systems. In particular, the company offers Bosch tankless, point-of-use water heaters, Bosch solar thermal systems, Bosch wall-hung boilers, Bosch geothermal heat pumps as well as controls and accessories for every product line.

As illustrated in this catalog and at [www.bosch-climate.us](http://www.bosch-climate.us), Bosch Thermotechnology is committed to reinventing energy efficiency by offering smart products that work together as integrated systems which enhance quality of life in an ultra-efficient and environmentally friendly manner.

# Bosch Thermotechnology Corp.

## Terms & conditions of sale

Portions of Bosch Thermotechnology Corp. Terms and Conditions of Sale can be found below. Please refer to our website: [www.boschthermotechnology.com](http://www.boschthermotechnology.com) for complete Terms and Conditions of Sale.

### 1. GENERAL

1.1 Your purchase order(s), when accepted, will be subject to the Terms and Conditions of Sale found on [www.boschthermotechnology.com](http://www.boschthermotechnology.com). The terms and conditions referenced on [www.boschthermotechnology.com](http://www.boschthermotechnology.com) constitute the entire agreement between you ("Buyer") and Bosch Thermotechnology Corp. ("BTC") with respect to the transaction(s) covered by your purchase order(s) as confirmed by BTC.

1.2 No modification or waiver of any of the terms and conditions found on [www.boschthermotechnology.com](http://www.boschthermotechnology.com) and no additional or different terms or conditions shall be effective unless (i) modified by BTC's quotation or sales modified by BTC's quotation or sales acknowledgement, or (ii) agreed to in a single writing signed by both parties. No oral agreement, course of performance or other means other than such written agreement signed by both parties expressly providing for such waiver shall be deemed to waive the terms of this document.

### 2. PRICES AND TAXES

2.1 All prices are based upon BTC's pricing in effect on the date of the quotation, unless otherwise indicated on the face of the quotation. The delivery date will be established on the order acknowledgement form prepared and sent by BTC. BTC reserves the right to adjust the prices due to increases in material, labor, manufacturing or shipping costs if the increases occur before the delivery date. If the amount of the cost increases exceed ten (10) percent, BTC has the right to cancel the contract on four (4) weeks notice in writing, and the delivery will not be made unless a new price agreement is reached.

2.2 The Prices do not include any applicable Federal, State or local sales, use, excise, value-added or similar-

type tax or assessments applicable to the price, sale, use or delivery of the Goods ordered by Buyer. Such taxes and assessments will be included in BTC's invoice and paid by Buyer unless Buyer's purchase order plainly states on its face the existence of an exemption from any such tax or assessment and Buyer provides BTC with evidence of such exemption from the applicable taxing authority.

### 5. WARRANTY POLICY \*

5.1 Unless a different limited written warranty is provided by BTC with the Goods, the terms and conditions of the warranty for the Goods shall be subject to the following limited written warranty. BTC warrants all Goods manufactured by it to be free from defects in material and workmanship for one year from the following:

- 5.1.1 The date of installation if a warranty card has been received by BTC that sets forth the correct date of installation;
- 5.1.2 The date of purchase if the date can be established by an invoice; or
- 5.1.3 The date of manufacture if the information required in 5.1.1 or 5.1.2 is not available.

Buyer's sole and exclusive remedy under this warranty shall be limited to either the repair or exchange of warranted products, at BTC's option FCA BTC's factory. No attempt to repair or improve the Goods or parts by any of BTC's representatives shall change or extend this warranty.

#### 5.2 Limitations on Warranty

**THE FOREGOING WARRANTY IS EXPRESSLY IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

The above warranty does not apply to specialty items or modifications to Goods, which as detailed in section 12.2 of Terms and Conditions of Sale found on [www.boschthermotechnology.com](http://www.boschthermotechnology.com), are purchased "AS IS".
