BOSCH

Cool 5100

C5100

7738346999

To the extent applicable to the product, the following data are based on the requirements of Regulations (EU) 206/2012 and (EU) 626/2011.

Productdata	Symbol	Unit	7738346999
Indoor sound power level in cooling mode	L_{WA}	dB	64
Refrigerant type			R290
Refrigerant leakage contributes to climate change. Refrigerant with lower global warming potential (GWP) would contribute less to global warming than a refrigerant with higher GWP, if leaked to the atmosphere. This appliance contains a refrigerant fluid with a GWP equal to 3,000 $kgCO_{2\,eq}$. This means that if 1 kg of this refrigerant fluid would be leaked to the atmosphere, the impact on global warming would be 3,000 times higher than 1 kg of CO_2, over a period of 100 years. Never try to interfere with the refrigerant circuit yourself or disassemble the product yourself and always ask a professional.			
Rated output in cooling mode	EER rated		3,1
Efficiency class cooling			A+
Energy consumption 1,1 kWh per 60 minutes, based on standard test results. The actual consumption depends on the use and location of the appliance.			
Rated output	P rated	kW	3,4
Rated input power for cooling mode	P EER	kW	1,3
Power input in operating condition, temperature controller off	P TO	W	-
Power input in standby state	P SB	W	0,5
